

**Welcome!**

**Judy and I along with the entire Chapter J Team, welcome you to our Website.**

**We hope your visit is rewarding and you are able to find the information you seek. The State of Georgia has 20 GWRRA Chapters. Each Chapter is as different as the folks that make up this great State. When you join GWRRA you are a member of every Chapter, so feel free to visit and enjoy each one. As you visit different Chapters you will find that each one has their own personality. We feel confident that you will find a Chapter that you can call home! Our main goals are to have FUN and to help our fellow members Ride Safely.**

**If you are not a member yet and are looking for more information about GWRRA you will find a summary of benefits [Here](#).**

**Dave and Judy Hurd**
