## Ride Report for MIAP Ride, 4/24/19

by Dennis Bible

We gathered at the Mountain View Funeral Home in Blairsville about 08:30 on Wednesday, 4/24/19, for a scheduled 09:00 departure. Bikes, trikes & Can-Am's, kept rolling in. We were there to provide an honor escort for an Air Force Viet Nam Veteran's unclaimed ashes from the funeral home to the National Cemetery in Canton, Georgia.

This escort is arraigned by "Missing In America Project" (MIAP) volunteers who over the last 12 years have located almost 19,000 unclaimed remains of which 4,137 were identified as veterans or eligible dependents. As of January 31, 2019, 3,769 Veterans remains have been respectfully and honorably interred with full Military Honors due to the efforts of the MIAP volunteers. [www.miap.us](http://www.miap.us)

We were honored to be a part of this ceremony and ride in support with 50 to 75 other motorcyclists including Combat Veterans, Am Vets and various others riders. Law enforcement led out with lights flashing ahead of the hearse and the rest of us followed in a two column staggered formation. We averaged about 35 to 40 mph all the way down the 515 and I-575 to Canton. Traffic backed up a long ways behind us but no one passed us out of respect for the funeral procession. Even northbound traffic across the median stopped, some saluting, others removed their hats and held hands over their hearts. Very moving to see!

Arriving at the National Cemetery in Canton the military Honor Guard was waiting along with guest speakers, some family members and some members of the clergy. The ceremony was inspiring to see and took about 30 to 45 minutes to honor this veteran. Following the ceremony, his ashes were interred at the Columbarium.

Following the ceremony, we broke up and headed to Rocco's Grill in Jasper for a fine lunch before heading home. Quite an emotional and moving day!

6 bike/trikes, 6 riders, 180 miles
