From Your ACD(s)

Hello everyone,

Time to begin thinking of something nice you'd like to bring for our annual Chili Feed/Auction in order to fund school supplies this coming fall. We've decided on Friday March 29th at the Young Harris Community Center beginning at 6:00 PM (thank you to Gary Willer for making this location available to us).

RIDE REPORT

Saturday Lunch Ride February 1, 2019

By Dennis Bible

Allen Cecil called me late Friday afternoon, 1/31/19, about riding Saturday, 2/1/19. The weather was forecast to be perfect, if a bit cool. The goal was to ride to Summerville, GA., for lunch and a look at Paradise Gardens. Allen did call Flathead Fred Henige who then sent out a last minute "Ride Notice" to our Chapter members.

Allen & I rolled out of the Blairsville Marathon at 09:30 under clear skies and 32 degrees. Allen led and we headed for Ellijay where after making a couple of turns on the old highway, we picked up highway 382 west around Carter Lake. Scenic highway 382 soon became highway 136, then south on highway 151 to highway 27 which got us into Summerville.

By then we're both hungry so Allen led to the Willow Grill on highway 48 where we had a great fried catfish lunch. Family owned and operated, The Willow Grill is a great place to get a meal!

After lunch we headed to Paradise Gardens. All I can say is ECCENTRIC! The guy that built this, Mr. Howard Finster, was an artist, hoarder, genius, screwball and/or a visionary! You pick! It is a giant collection of everything he could get his hands on, then spent untold thousands of hours gluing it all together with wire, cement, nails, screws and mortar. Check it out at https://en.wikipedia.org/wiki/Howard_Finster. It definitely is one of a kind!

Leaving Summerville, we continued south on highway 27, then east on highway 156 through old Calhoun to highway 411. After a few miles on 411, we hit highway 382 again and retraced our route home.

Thank you Allen for a wonderful country ride and unique experience on a fine 70 degree winter day!

Two bikes, two riders, 250 miles and 7 hours.
